

Research Projects Outsourced to Universities

No.	University	Project Title
۱	University of Tehran	Preparation of Six Geological Sheets of Josheqan-e Qali, Kamu, Kalahrud, Nasran, Ardestan, and Mazdabad-e Bala (Naein Block)
۲	Kharazmi University	Tracing of Critical Raw Materials (Ge, In, and Ga) Alongside Major Elements (Zn-Pb) from Ore to Mine Tailings and Mineral Processing of Sedimentary Lead-Zinc Deposits: A Case Study of the Angouran Mine
۳	Kharazmi University	Tracking and Behavior of PGEs, Se, and Te in Porphyry–Epithermal Deposits in the Sungun and Sari Gunay Areas
۴	Kharazmi University	Recovery of Copper, Molybdenum, and Gold from Mine Tailings of Porphyry Copper Deposits: A Case Study of the Sarcheshmeh and Sungun Copper Mines
۵	University of Tehran	Identification of Indicators, Design, and Development of a Conceptual Framework Model for Smart and Climate-Change-Adapted Mining under Good National Governance
۶	University of Tehran	Identification of Mineral Potentials in Four Priority Blocks of the Makran Structural Zone, Covering an Area of ۳۰,۰۰۰ km ² in Sistan and Baluchestan Province
۷	University of Tehran	Intelligent Prediction of Exploration Drilling Locations (Exploratory Boreholes) Based on Existing Exploration Data Layers and Deposit Type
۸	Sharif University of Technology	Research and Development of the Two-Year National Strategic and Operational Mining Plan
۹	University of Tehran	Research and Comparative Studies for the Development of the Strategic and Operational Plan of the Geological Survey of Iran
۱۰	Shahid Beheshti University	Preparation of Two Geological Sheets of Mishab and Kahyaz (Naein Block)
۱۱	Shiraz University	Preparation of Five Geological Sheets of Naein, Neyestanak, Bonvid-e Olya, Abjouyeh, and Yaghmash (Naein Block)
۱۲	University of Zanjan	Preparation of Two Geological Sheets of Kajan and Abbasabad Paghri (Naein Block)
۱۳	University of Tehran	Preparation of Six Geochemical Sheets of Josheqan-e Qali, Kamu, Nasran, Torq, Mazdabad-e Bala, and Kalahrud (Naein Block)
۱۴	Shiraz University	Preparation of Five Geochemical Sheets of Naein, Neyestanak, Bonvid-e Olya, Abjouyeh, and Yaghmash (Naein Block)
۱۵	University of Tehran	Preparation of Four Geological Sheets of Suzu River, Ravar, Sharifabad, and Lakarkuh (Ravar Block)
۱۶	Shahid Bahonar University of Kerman	Preparation of the Hadjek Geological Sheet (Ravar Block)
۱۷	Shahid Bahonar University of Kerman	Preparation of Two Geological Sheets of Kahnuj and Dasht-e Khak (Ravar Block)
۱۸	Ferdowsi University of Mashhad	Preparation of the Harjand Geological Sheet (Ravar Block)
۱۹	University of Tehran	Preparation of Four Geochemical Sheets of Suzu River, Ravar, Sharifabad, and Dasht-e Khak (Ravar Block)

Research Projects Outsourced to Universities

۲۰	Ferdowsi University of Mashhad	Preparation of the Harjand Geochemical Sheet (Ravar Block)
۲۱	Shahid Bahonar University of Kerman	Preparation of the Hadjek Geochemical Sheet (Ravar Block)
۲۲	University of Tehran	Preparation of Two Geochemical Sheets of Kahnuj and Lakarkuh (Ravar Block)
۲۳	Tarbiat Modares University	Preparation of Two Economic Geology Sheets of Darreh and Parang (Eastern Birjand Block)
۲۴	Shahrood University of Technology	Preparation of Two Economic Geology Sheets of Morghzar and Kabod (Eastern Birjand Block)
۲۵	Amirkabir University of Technology	Preparation of Two Economic Geology Sheets of Alno and Mahirud (Eastern Birjand Block)
۲۶	Tarbiat Modares University	Preparation of Two Economic Geology Sheets of Avaz and Gazakht (Eastern Birjand Block)
۲۷	University of Tabriz	Preparation of Two Economic Geology Sheets of Khoshab and Dastgerd (Eastern Birjand Block)
۲۸	University of Golestan	Preparation of Two Economic Geology Maps of Gomenj and Zeydan (Eastern Birjand Block)
